5 **STATUS REPORT ON THE PROPOSALS SENT TO THE GOVERNMENT AS ON 10/02/2014**

Chairman of the State Level Committee directed to the Additional Director (R) to depute an Officer from COI to follow up the matter with Government for expeditious clearance of issues pending with Government.

			various storage areas and manufacturing areas to obtain the approval of the Chief Controller of Explosives, Government of India. Accordingly, the proposals were sent to the Government vide No. 30/2/02/1036, dt.24/09/2004.		
	2	31/01/05	Clarification on filing of applications for Sanction of incentives under NIP – 2000-05 Scheme by those units who have already applied for Central Grant under MFPI scheme, Government of India and whose cases have been rejected by Government of India; and also those units which intend to withdraw their claims from central grant. **** The SLC has discussed the issue in detail. A number of Food Processing Industrial Units have already filed applications for Central Grant under MFPI schemes and they are pending with Government of India for quite some time and in some cases the pendency is as long as two years. It is not known whether Government of India would eventually issue sanction orders to all these pending applications. Most of these units are otherwise entitled for incentives available under the State incentive scheme NIP-2000-05 also. Since they have already applied to Government of India and their cases are pending with Government of India they are not allowed to apply for incentives under State scheme as it has been the practice not to allow availment of incentives by industrial units under both the schemes. In this connection, it is noted that the industrial units whose claims would be rejected by Government of India would be placed in a piquant situation of not being eligible to file claims under State policy as in most cases they would have crossed the time limit of six months from DCP for filing such an application under NIP-2000-05. Further, in certain other cases some of the industrial units may be willing to withdraw their applications pending with Government of India and instead opt for State incentives available under NIP-2000-05. In all these cases it is therefore necessary that their claims should be admitted without insisting on the condition that the claim should be filed within six months from the date of commencing of the production. Further, all such applications of **ELIGIBLE** Food Processing industrial units for availing State incentives under NIP-2000-05 scheme, they should file their claim applications within (3) three months from the date of rejection or withdrawal of their application from MFPI, Government of India to concerned DICs in the State. The SLC decided to recommend to the Government for consideration, amending of NIP-2000-05 on the above	Government Orders are awaited.	

		lines in respect of Food Processing Industries. Accordingly, the proposals were sent to the Government vide letter No.20/1/00/1151, dt.26/02/2005.		
3	09/03/06	Inclusion of Additional Line of activities/Bye products in the Final Eligibility Certificates for availing Sales Tax Incentives. **** Further it was observed that Commissioner, Commercial Taxes has in both the above cases recommended for inclusion only with prospective effect. Standing Scrutiny Committee by majority /unanimity had recommended for inclusion effective from the date of commercial production. A detailed reference may be made to Government in this regard to get specific order on effective date of such inclusion. The issue was placed in SIPC meeting held on 03/01/2013 and SPIB held on 26/04/2013. The SIPB approved the proposal to provide the previously approved tax incentives and all the products the industry produces, from the DCP of such activity, even if there is a change in the product mix, as long as the new products are made using the same plant & machinery. Ms. No.178 or G.O. Ms. No.328 – Regarding. ****** The SLC has discussed the issue in detail and decided to recommend the issue to the Government for consideration of the request of the unit for extending the incentives under IIPP 2005-10 on the following grounds: 1. 			as immediately as possible paid the machinery advance in the year 2006 itself and planned to start their industry at Atukuru, Krishna District and applied for loan at Andhra Bank which was sanctioned on 26.11.2009. 3. Proposed site had two difficulties (1) the land was in VUDA limits and the land conversion a very lengthy process (2) there was an underpass in the approach road which would force the containers to take 15 km additional route to reach the proposed site. Consequently they had to buy a new site at Chikkavaram (V), Gannavaram (M), in the year 2009. 4. They informed that the selection of the land was not easy as they had to abide by various rules and regulations of the Government which has considerably delayed the start of the project. 5. they have applied for temporary power supply in the year 2009 and had to lay a separate 33 KV line for 6 kms since the industry is located in rural area and laying of 14.7 power line has resulted in unwanted disputes with some of the villages through which the lines were to be passed. As such the power lines was relocated and laid again moreover, as the power lines had to cross a railway line permission was accorded in October, 2010 through we have applied in the month of February, 2010. All the above reasons were beyond the control and capacity hence could not commence the production as per original schedule and were deprived of the incentives offered through G.O. Deputy Director & OIC of Regional Office of the Textile Commissioner**, Bangalore vide his Lr. No. 4(1)/2012/TUFS/ROB/Vol-II/1578 Dated.07-01-2014 addressed to the Commissioner of Industries stated as follows; Sircilla Power loom Cluster is one of the weak power loom cluster having around 30000 power looms and it is mostly producing low cost fabrics like cotton casement cloth and polyester shirting etc. and the Powerloom weavers at Sircilla are also prone to suicide deaths on slightest disturbance in working of the Power looms or marketing of their products. In order to upgrade the quality in working of the power looms in Sircilla the Govt. of India had setup a Textile Park at Sircilla under erstwhile Textile Infrastructure Development Scheme (TCIDS) with the from State Government of Andhra Pradesh. The Power loom weavers in the park on setting up of modern shuttle less looms are eligible for 20% Margin Money Subsidy under Technology Upgradation Fund Scheme (TUFS) which has been presently increased to 30% from 01-04-2013. The benefits under TUF Scheme is not linked to any other subsidy from the State Government or its	availed capital investment subsidy. 	agencies. Several State Governments have announced their own textile policies and the subsidy given by the **state government is over and above the subsidy given by the Central Government under TUFS. However, it has been brought to the notice of this office that the Powerloom units of Sircilla Textile Park are being denied subsidy from State Govt. of Andhra Pradesh under IIPP stating that the units have already got the benefits under TUFS of Central Govt. In this regard , this is to clarify once again that this office has no objection to provide investment subsidy of Govt. of Andhra Pradesh along with the Margin Money Subsidy (Capital Subsidy) under TUF Scheme of Govt. of India. It is to highlight that none of the State Govts. have placed restriction on State Govt. subsidy along with Central Govt. incentives. In this regard, copies of the Textile Policy 2008-13 and Textile Policy 20013-18 of Govt. of Karnataka are enclosed. It has been clearly mentioned at Annexure-A Clause 7(b) (ii) that the Textile Policy 2008-13 OF Govt of Kranataka would provide capital subsidy as an additional incentives to the industry. Similarly, the Textile Policy of 2013-18 of Govt. of Karnataka, it has been mentioned at Clause 5(h) (i) that the Textile Policy provide capital subsidy as an additional incentives to the industry.** It is therefore requested to kindly consider the sanction of subsidy to power loom units of Sircilla under IIPP. **3. <u>TUF scheme of Government of India</u>:** Ministry of Textiles and Government of India, under Restructured Technology Upgradation Fund Scheme providing 20% Margin Money Subsidy under Restructured TUFS (MMS@20%-TUFS) in lieu of 5% interest reimbursement / 15% Margin Money Subsidy incentives to the Power loom Industry under Micro and Small Enterprise category The eligibility of the power loom unit and independent preparatory unit for availing the margin money subsidy is subject to a capital ceiling of Rs. 500 lakh and ceiling on margin money subsidy of Rs. 60 lakh. For brand new shuttle less looms ceiling on margin money subsidy would be Rs.1 core. SSI units exceeding capital ceiling of Rs. 500 lakh would not be eligible for assistance under 20% MMS- TUFS. Such units are	

advised to avail of 5% interest reimbursement under Restructured TUFS.

As per the TUF policy, the power loom industry shall opt for one of two incentives ie either 20% margin money subsidy or 5% interest subsidy. The unit availing margin money subsidy is not eligible for availing interest subsidy under TUF scheme.

The Powerloom units may avail of 20% Margin Money Subsidy (MMS) on 'front ended' basis along with bank finance. The power loom unit will approach the lending agency for term loan and bridge finance for 20% MMS with their project proposal. After sanctioning of the loan the lending agency shall advise the office of the Textile Commissioner for the sanction of the loan.

The applicant has to apply for 20% margin money subsidy at the time of filing term loan application and the **same is considered as bridge finance. Therefore, the 20% margin money subsidy is to meet the equity gap of the entrepreneur of project and also to obtain the required financial assistance from the lending agency.**

4. New Textile Policy of Govt. of Karnataka.

The State of Karnataka where the textile sector is well developed, formulated the New Textile Policy 2013-18 (Nuthana Javali Neethi), promoting the textile sector further by extending the additional incentives over and above the incentives offered by Govt. of India under TUF scheme. MSME projects upto Rs.10.00 Crore are eligible for 20% of fixed assets as credit linked capital subsidy which may work out to Rs.2.00 Crore.(out of which 50% is earmarked for meeting the requisite interest obligations from Banks/Financial Institutes). Apart from the above incentives, provision is also made in the policy for i) additional dose of 20% on the value of plant and machinery or Rs.30.00 lakhs which ever is less as Special Credit Linked Capital Subsidy" ii) additional subsidy of 5% on the value of fixed assets or Rs.10.00 lakhs which ever is less in respect of units located within designated textiles parks.

5. **New Textile Policy of Government of Maharashtra**

Government of Maharashtra through its New Textile Policy 2011-17, providing 10% capital subsidy of the eligible capital investment to

new textile units set up in Vidarbha, Marathwada and North Maharashtra.

" Eligible Capital Subsidy " means an investment which is eligible for interest subsidy under the centrally sponsored TUF Scheme. The said 10% capital subsidy shall be in addition to all the benefits available from all sources[i.e., Centrally sponsored TUFS, Industries Department's Policy etc.] including the assistance in respect of interest subsidy available under the new Textile Policy of the State.

No.009/MLA/SRCL/2014 Dated.06-01-2014 addressed to the Commissioner of Industries, stated that the Power loom industry is not much developed compared to the States of Karnataka and Maharashtra where the support is being extended to the textiles units over and above the Central Government Subsidy under TUF scheme and requested to extend the same support to the units Textile park and also in other parts of the State.

No. 61/MP(K)/14 Dated.06-01-2014 addressed to the Commissioner of Industries stated that the Textile Units with modernized machinery have been started in Textile Park, Sircilla with lot of efforts from Government of India and Government of Andhra Pradesh and the industry is providing employment to good number of people though Textile Industry is facing lot of problems.

Further, he has also stated that the TextileIndustry, particularly power loom sector is not developed in Andhra Pradesh as compared to other states like Gujarath, Maharashra, Karnataka and Tamil Nadu and requested the Commissioner of Industries to treat the investment subsidy of State Government as an additional subsidy apart from Capital subsidy under TUF Scheme like other State Governments of Karnataka and Maharashtra.

8. **IIPP 2010-15 Policy of Government of**

	Andhra Pradesh: Government of Andhra Pradesh is extending various incentives under Industrial Investment Promotion Policy IIPP 2010-15 like investment subsidy and reimbursement of interest subsidy after the commencement of commercial production. The operational guidelines issued vide G.O.Ms.No. 42 Industries and Commerce (IP) Department Dated 05.05.2011 and the **Para 5.0 read as** The Incentives will be inclusive of any similar incentives of State Government / Government of India/ Institutions / Agencies already availed / Government of India incentives which may be announced from time to time by the Government of India and other such incentives extended by any other Government Agency. **Para 5.5.6 read as** "In respect of existing Micro and Small Enterprises, going for expansion/ diversification, the capital investment subsidy would however subject to upper limit of Rs. 20.00 Lakh including all earlier availed capital investment subsidy. 	documents etc., The unit holder / Financing Institution or the General Manager, DIC, Karimngar has not informed about the incentives availed by the Textile units under TUF scheme sponsored by the Government of India. The State Level Committee has sanctioned Investment subsidy to the Textile units in Sarampally and Baddenapally villages of Sircilla Mandal, Karimnagar District in addition to the subsidy availed by the units under TUF schemes. On verification of one of the claim applications received from the General Manager, District Industries Centre, Karimnagar it is observed that, the unit has already availed subsidy under TUF scheme. On further probe it is learnt that majority of industrial units situated in Baddenapally, Sarampally Villages Sircilla Mandal of Karimnagar District have also availed subsidy under TUF schemes earlier to sanction / release of Investment subsidy under IIPP 2005-10 / IIPP 2010-15 schemes. In view of the above, the General Manager, District Industries Centre, Karimnagar has been requested to verify with the concerned Financing Institutions, whether the units have availed / filed application under TUF scheme for capital subsidy and Interest subsidy refund of 5% before recommending for release of subsidy amounts to the units vide this office memo 11A/13/23474, Dt. 09/12/2014. The SLC in its 100th meeting held on 21/12/2013 (Supp. item No. 6) has revised the earlier sanctioned Investment Subsidy amount of Rs. 5,97,350/- instead of Rs. 7,41,130/- as the unit has already availed the capital subsidy of Rs. 14,02,650/- under Technology upgradation Fund (TUF) scheme of Government of India to M/s Nagesh Industries, Sy.No. 352/AA, Kubeer (V&M), Adilabad District. Further, a representation has been received from Sri Ch.Srinivas, who has informed that most of the Entrepreneurs have fraudulently claimed excess incentives /subsidy by concealing the fact that they have already availed a similar kind of subsidy / incentive under Technology upgradation fund scheme of Government of India. Purposefully furnished false information that they have not claimed any incentives earlier as to mislead the industrial department. Further most of the entrepreneurs in the Textile park, Sircilla have deceived banks, financial institutions, State	

	Government and also Government of India by submitting machinery purchase invoices reflecting double the purchase value, which can be legally termed as "Emblazonment" and requested to take necessary action. The representation has been forwarded to the General Manager, DIC, Karimnagar to furnish the remarks for taking further action. The reply is awaited. 9. As per the Government of Andhra Pradesh incentives policy the the total subsidy would be limited to Rs.20.00 lakh in case of general entrepreneurs and Rs.25 lakh in case of Women entrepreneurs and Rs.50 lakh in case of SC/ST Entrepreneurs and Women SC/ST Entrepreneurs as per the limits prescribed in the IIPP 2010-15 inclusive of similar incentives of State Government / Government of India / Institutions / Agencies already availed / Government of India incentives which may be announced from time to time by the Government of India and other such incentives extended by any other Government agency. 9. In view of the above, the request made by the Sircilla Textile Park Development Committee to extend the investment subsidy under IIPP 2010-15 over and above the 20% margin money subsidy under TUF scheme and reimbursement of interest subsidy under pavala vaddi scheme of IIPP 2010-15 is placed before State Level Committee. 10. 11	IIPP 2005-10 - Reimbursement of 25% Sales Tax under Expansion Programme - M/s Sagar Cements Ltd., (Expansion), Mattampally (V&M), Nalgonda District - Sanction of Reimbursement of 25% Sales Tax for the year 2011-12 - Rectification - Regarding. The General Manager, District Industries Centre, Nalgonda District vide his letter No. 1398/B/2010, Dt. 25/06/2012 has recommended the claim application of M/s Sagar Cements Ltd., (Expansion), Mattampally (V&M), Nalgonda District for sanction of Reimbursement of 25% Sales Tax for the year 2011-12 for their expansion project under IIPP 2005-10 scheme. The General Manager, District Industries Centre, Nalgonda District has recommended the proposal duly fixing the base production for Cement & Clinker separately. As per the Guidelines, the base turn over is to be fixed if the unit is manufacturing and selling multiple products.	The SLC discussed the issue in detail and decided to sanction the eligible difference amount of Rs.29,71,423/- (90216643-87245220) towards reimbursement of sales tax for the year 2011-12, duly fixing the base turnover instead of production capacity, since the unit has manufacturing multi products. Further, the SLC has decided to adopt the operational guidelines para No. 5.7.6 under IIPP 2010-15for sanction of reimbursement of sales tax to the expansion/diversification projects under IIPP 2005-10 also, as there are no specific guidelines under IIPP 2005-10 in respect of units manufacturing multiple products.

	Accordingly, the unit has been fixed the base turnover has been fixed as Rs. 169,94,02,203/- which is highest turnover in preceding 3 years of expansion project and computed for sanction of reimbursement of Sales Tax at Commissionerate of Industries. As per the computation, the eligible amount was arrived Rs. 9,02,16,643/-. But, the same was limited to General Manager's recommendation of Rs. 8,72,45,220/- and placed before SLC and the SLC in its meeting held on 24/09/2012 sanctioned an amount of Rs. 8,72,45,220/-. Further, the unit holder vide his letter No. SCL:ACCTS:2012-13, Dt. 08/10/2012 has represented that they are selling multiple products i.e Clinker and Cement and sanctioned reimbursement of 25% sales tax on turnover basis for the year 2008-09, 2009-10 and 2011-12. The Commissioner of Industries has computed the value as Rs. 8,72,45,220/- for the year 2011-12 by considering the base production based on the General Manager's recommendations. It is informed that the turnover for the year 2011-12 according to the calculation, they are eligible for reimbursement of 25% Sales Tax Rs. 9,02,16,664/-. In this regard the General Manager, District Industries Centre, Nalgonda District has requested to examine the request of the unit holder and send a detailed report vide memo dt. 17/10/2012. In response to the memo,the General Manager, District Industries Centre, Nalgonda District has submitted a report stating that the calculation in respect of expansion project based on the production as per G.O.Ms.No. 328 Industries & Commerce (IP) Department dt. 13/12/2005 at para 5.7.4 of operational guidelines of IIPP 2005-10 scheme that the expansion / diversification units will be allowed reimbursement on commercial tax paid on production made over and above the base production of the original unit before expansion. In G.O.Ms.No. 386 Industries & Commerce (IFR) Dept, Dt. 26/09/1994 at para 6, it was instructed in case of Expansion / Modernisation turn over in value can be adopted where ever necessary in place of production. In respect of Diversification it may or may not be possible to adopt the above norms as the product will be different and it will be difficult to compare the production prior to and after diversification in terms of quantity. The quantum of additional production for the purpose of eligibility for deferment of Sales Tax in diversification should be based on two alternatives. One of the alternative is the additional turn over during post diversification will be	

	turnover in excess of base turn over which will qualify for Sales Tax deferment. As per the para No. 5.7.4 of guidelines under IIPP 2005-10 is as follows: The Expansion / Diversification projects will be allowed reimbursement on Commercial Tax paid on production made over and above the production capacity of the original unit i.e before expansion/Diversification. But as per 4.5 of guidelines, the existing industrial units, in eligible areas, making investment for a new product other than those listed in the ineligible list, involving Diversification with an enhancement at least by 25% of fixed capital investment as well as enhancement of turnover by 25%, in value terms, will be eligible for incentives. In the present case, the unit is selling both clinker and cement independently according to the market demand. The manufacture of cement is the forward integration of clinker. It is difficult to fix up the base production prior to expansion for both the products Clinker & Cement. As such the clarification given by the Government vide G.O.Ms.No. 386 Industries & Commerce (IFR) Department, Dt. 26/09/1994 is adopted to fix the base production in terms of value unit is fixed. Accordingly, the unit has been calculated the eligible reimbursement of Sales Tax duly fixing the base turnover for the year 2011-12 which is worked out Rs. 9,02,16,643/-. The unit is eligible for sanction of difference amount of Rs. 29,71,423/- (90216643-87245220) for the year 2011-12. The SLC may take a view.

<td>agriculture feeder, and it has changed through express feeder from sub-station.
The power connection for the industry was connected to agriculture feeder initially and the dedicated power line at that time costs more and not viable. During the year 2013 due to more power cuts to agriculture feeders many rice mills in the district also could not operate at optimum capacity. Hence the availability of raw material rice bran also reduced due to power cuts. The unit decided to go for express feeder connection and completed from the nearby source and started trials in October 2013.
As the reasons for break in production is genuine, the General Manager, DIC recommended for condonation of break in production.
The SLC may take a view on change of name of the unit, management and condonation of break in production from December 2012 to November 2013.</td>

The unit was sanctioned investment subsidy in 100th SLC held on 21-12-2013 of Rs.20.00 lakhs			The SLC has examined the issue in detail and decided to process the claim applications for sanction of eligible interest subsidy 'Pavala Vaddi' scheme under IIPP 2005-10.

under the scheme of IIPP 2005-10.

The term loan disbursed from 01-04-2008 to DCP (29-06-2008) is Rs.19,27,953/- and DCP (29-06-2008) to 18.12.2008 (within six months) is Rs.3,41,247/-. Hence the total term loan eligible for considering Pavala Vaddi is Rs.22,69,200/- **The loan disbursed on or after 01.04.2008 which is the date fixed as per G.O. Rt. No.624, dt.20.08.2008 (Pavala Vaddi Scheme) for eligibility to claim under Pavala Vaddi Scheme is Rs.22,69,200/-**(out of total disbursement of Rs.65.00 lakhs).

In the 84th SLC meeting it is decided that the proposals where the partial disbursement of loan were done before 01.04.2008 and balance term loan disbursed on or after 01.04.2008 and commenced commercial production after 01.04.2008 are also eligible to claim reimbursement of interest subsidy to extent of the loan released on or after 01.04.2008. Supl.6	IIPP 2005-10 Scheme - M/s. NCL Industries Limited, (Expansion) Kadimpothavaram (V), G. Konduru (M), Krishna – Sanction of reimbursement of sales tax - Regarding. M/s. NCL industries Ltd., Kadimpothavaram(V), G.Konduru (M), has commercial production with effect from 13-03-2007 for the line of activity "Mfg. of Portland Cement , Aluminous Cement, Slag Cement and similar Hydraulic cements, except in the form of Clinkers " and obtained IEM Part-B Acknowledgement bearing No.1078/IIM/PROD/2007, dated 18-07-2007. The General Manager, District Industries Centre, Krishna has recommended the claim proposal for sanction of reimbursement of sales tax to M/s. NCL Industries Limited, Kadimpothavaram (V), G. Konduru (M), Krishna for the years 2007-08 to 2011-12 under IIPP 2005-10 Scheme. The proposals for the years 2007-08 & 2008-09 were placed in the 78th& 81st State Level Committee meetings held on 23.09.2009 & 20.03.2010 respectively and the SLC has sanctioned an amount of Rs.4,01,24,810/- and the same was released to the above unit. The proposals for the year 2009-10 & 2010-11 were placed in 90th SLC meeting held on 18.12.2011 pertaining to reimbursement of sales tax and it was deferred and referred to the Standing Scrutiny Committee (SSC) for verification. The SSC inspected the unit and made the following observations : 1. The Committee after undertaking physical inspection of the Plant & Machinery and after verifying the original machinery bills, proof of payments, original Sanction letter, Loan Account Statement has confirmed the certification of the General Manager on Plant & Machinery as per para 17.2 of the Operational Guidelines of IIPP 2005-10. 2. The TIN NO. 28220211162 of this unit and that of M/s NCL Industries Ltd located at Nalgonda District is "**One and the Same**". 3. There is no purchase of Clinker except **Stock Transfer** from their Nalgonda unit. However, the unit is paying	The SLC has discussed the issue in detail and noticed that as per IIPP guidelines, definition of Tax means commercial tax paid to Government by way of VAT and CST or SGST on goods produced by the industrial enterprise. In the present case the NCL Industries Limited located in Krishna District is receiving clinker by way of stock transfer from its other unit located at Mattapally of Nalgonda District and producing cement. Hence, the value addition done in the premises of present unit is only eligible for tax concession. As per earlier clarification of Commissioner of Commercial Taxes (CCT) extending tax benefit on entire sales by the dealer will amount to passing of tax concessions to the Nalgonda unit for value addition being done in producing clinker from raw material, which is not in tune with the IIPP guidelines. Hence SLC decided that the Commissioner of Commercial Taxes is requested to re-examine the issue in line with the observations of SLC and offer remarks to take a final decision in the matter.

	Central Excise to the Cement Manufacturing here at Value Added Price. In this connection, the Committee has taken a view that if the unit purchased clinker from its Original Unit, the Sales Tax Reimbursement at the selling value of the Cement is appropriate. 4. At random, one document related to Stock Transfer from NCL unit at Nalgonda has picked up and noticed that Rs. 1900/- was charged for One Ton of Clinker. Similarly, one more sale bill was picked up at random and noticed that the unit sales was recorded as Rs.2892/- per M.T. The facility of Reimbursement of Sales T ax at the price of Cement will pass the benefit of Sales Tax Reimbursement to an extent of clinker value by Stock Transfer will go to the Original Unit at Nalgonda. However, the Committee is of the view that the unit is eligible for Sales Tax Reimbursement to the extent of value addition from Clinker to Cement only. The Clinker under Stock Transfer and Cement manufactured and dispatched at the unit are co-related. 5. In regard to Power Cost Reimbursement, though Clinker is procured by Stock Transfer, Cement is made by grinding operations using the installed power and having separate Central Excise Registration. Hence, the unit is eligible for Reimbursement of Power Cost as per IIPP Guidelines. Basing on the report of Standing Scrutiny Committee clarification was sought from the Commissioner of Commercial Taxes on allowing the sales tax incentives to the unit under IIPP 2005-10 Scheme in view of the stock transfer of clinker from its Mattampally unit at Nalgonda District to this unit at Kadimpothavaram, Krishna District. The Commissioner of Commercial Taxes, Govt. of A.P. clarified that the sales tax paid on the sales of cement by the dealer should be allowed in Toto only to its Kondapally unit (Kadimpothavaram village) as per the provisions of law in as much as only that unit is selling the cement. The supplies of clinker by Mattampally, Nalgonda District unit to Kondapally, Krishna District is not sale. The dealer should be allowed to get reimbursement of sales tax paid on the additional tax paid on the additional turnover as allowed under policy as per existing rules.	

	In this regard, it is to inform that in so far as sanctioning of sales tax reimbursement, the unit is eligible for Sales Tax reimbursement for the value addition from Clinker to Cement as the basic raw – material clinker to the unit in question is under stock transfer from the present unit M/s. NCL Industries Limited, Nalgonda. In view of the above the facility of sales tax reimbursement from Industries Department will not be passed to any dealer simply by virtue of selling the cement but the Dealer should manufacture and sell the finished product. In this case, the Dealer / unit is not purchasing any raw-material and utilizing the raw-material of the parent unit i.e. Nalgonda unit by stock transfer. The State Level Committee may take a view.
