

:: KAMAREDDY DISTRICT PROFILE ::

1. District Map

2. DIC details

The Office Address of the District Industries Centre Kamareddy is as follows:

The General Manager
 District Industries Centre,
 Room No # 205, Collectors Complex,
 Kamareddy – 503111
 Phone No : 08468-220062

The Staff Pattern of the DIC Kamareddy and along with officers working in is as follows

S.No.	Designation	Cadre Strength	Working Strength
1	General Manager/ Deputy Director	1	1
2	Assistant Director	1	1
3	Industrial Promotion Officer	3	1
4	Senior Assistant	1	1
5	Junior Assistant	2	2
6	Typist	1	0
7	Office Subordinate	2	1
8	Watchman	1	1
TOTAL		12	8

S.No.	Employee Name	Designation	Mobile No.	Email id
1	Sri. B.Srinivasulu	General Manager	9848788445	1.gmdic-kmr-inds@telangana.gov.in 2.vasu.inds@gmail.com
2	Sri. K.Raghunath	Assistant Director	9948295273	kasaraghu@yahoo.com
3	Smt. M.Sangeetha	Industrial Promotion Officer	9000236661	sangeetha0906@gmail.com

3. District at a glance

- Key district features:-

Kamareddy District is bounded on the North by Nizamabad District and on the East by Rajanna Siricilla District and Siddipet District, on the South by Medak District on the West by Nanded District of Maharashtra State and Bidar District of Karnataka State.

- Key land details:-

AREA	Unit	Data
Area	Sq.Kms	3652
Forest Area(22.51 %)0.82190 Lakh Ha	"	821.9
a) Latitude	Degrees	18° - 19' -07"
b)Longitude	"	78° - 47' - 37"

- Key industrial statistics:-

S.No.	Name of the Constituency	No. of units	Investment (Rs.in Lakhs)	Employment (No's)
1	Kamareddy	114	21847	820
2	Yellareddy	33	13006	534
3	Jukkal	22	4134	305
4	Banswada	26	4740	155
TOTAL		195	43727	1814

- Key agricultural statistics:-

I.State Seed Farm:- This farm is located in Malthummeda village of Nagareddypet Mandal, which is about 42 Kms from District Headquarters. This Seed Farm is having a land of 324.22 Ha in Sy.No. 838 and 834 of Malthummeda Village. In which 24.28 Ha given to Horticulture Department. In the remaining land of 299.94 Ha only 89 Ha has brought into cultivation with water source of Pocharam Project canal through lift irrigation.

II.Boppaspally State Seed Farm:- This farm is located in Birkur Mandal, which is 70 Kms from District Headquarters. It is having an area of 199.60 Ha with Cultivable area of 90 Ha. This farm is having irrigation source from Nizamsagar Canal.

If these (2) Seed Farms develops to the total potentiality, certified seed can be produced for Paddy and Soybean Crops.

- **Key Horticulture statistics:-**

In Kamareddy district the following farm comes under Horticulture Department for production of quality plant material for District farmers and other needy farmers.

Government Horticulture Farm MALTUMMEDA (Nagireddypet Mandal):
Renovated farm for 2015-16 onwards established new scion block for Guava, Pomegranate, Appleber, Thaiguava, Mango, Custurd Apple etc.,

- **Key population statistics:-**

Total Population (2011 Census)	No	972625
I) Male (49.18%)	No	478389
II) Female (50.82%)	No	494236
Sex Ratio	Per 1000	1033
CHILD POPULATION (0-6 years) (11.48 %)		111666
Male (51.51 %)		57528
Female (48.49 %)		54138
Sex Ratio	Per 1000	941
No. of Households	No	2,22,513
No. of Food Security Cards	No	245596
Urban Population (12.71 %) (1 Urban & 2 Census Town)	No	123622
Rural Population (87.29 %)	No	849003

4. **District Profile**

a) **General Profile**

- **Location like latitude and longitude:-**

Kamareddy District is bounded on the North by Nizamabad District and on the East by Rajanna Siricilla District and Siddipet District, on the South by Medak District on the West by Nanded District of Maharashtra State and Bidar District of Karnataka State. The Geographical area of this district is 3,652 Sq.Kms. The District lies between 18 - 19' - 07" of Latitude and 78 -20' -37" Longitude.

- **District administration –Key names and addresses of district heads:-**

1. Dr.N.Satyanarayana IAS	Collector & Dist Magistrate	7893005678
2. Sri S.Sathaiah	Joint Collector	8121772743
3. Smt K.Manimala	DRO	8106557639

- Administration structure like mandals, municipalities, villages:-

Revenue Divisions	No	3
Revenue Mandals	No	22 (17 OLD, 5 NEW)
Municipalities	No	1
Gram Panchayats	No	323

Sunflower	(0.12 %)	In Hect	100
Other Crops	(1.12 %)	In Hect	932
Gross area in Rabi		In Hect	83336

- Live Stock details:-

Livestock Population	No	1148136
Cattle (17.98%)	No	206321
Buffaloes (15.78%)	No	181202
Sheep (41.00%)	No	470817
Goat (25.24%)	No	289796
Veterinary Hospitals	No	6
Livestock Supervisory Units (Veterinary Dispensaries)	No	30
Rural Livestock Units	No	16

- Fisheries details if applicable:-

Nizamsagar Project and Pocharam Project combined Water Spread area to an extent of 13312.296 Ha is suitable for Fish Production.

- Major mineral resources and expected quantity:-

The district is not rich in minerals, Iron ore of poor quality occurs at a few places as laterite and ferrogenous quartzites. Aluminous boles containing 24% to 35% alumina are reported from Gurja Kunta of Bhiknoor Mandal and Karedpally in Tadwai Mandal. White calcareous Kaolinised earth is found near Tippapur, Bhiknoor and Kupriyal. Granites of various quartzes and Deccan trap rocks yield excellent material for buildings and roads.

MINING: - The main activity in the District is Mining of Quartz & Feldspar, Laterite and Stone Metal. There are 36 Quarry Leases were granted in the District, in which (4) Laterite Mineral, (5) Quartz & Feldspar (1) Amethyst Quartz and (26) Building Stone & Road Metal.

- Human resources with details of professional colleges, degree colleges, schools :-

Educational Institutions		
a)Degree Colleges	No	19
Government	No	6
Private	No	13
b)Junior Colleges	No	53
Government	No	16
Private - Genreal	No	20
Private - Vocational	No	2
Aided	No	1
Model Junior colleges	No	5
TS Social Welfare Junior colleges	No	7
TS Tribal Junior colleges	No	1
incentive Junior colleges	No	1
c)High Schools	No	309
Govt.Schools	No	207
Private	No	102
d)Upper Primary Schools	No	222
Government	No	144
Private	No	78
e)Primary Schools	No	753
Government	No	737
Private	No	16
f) KGBV	No	17
g) Model schools	No	6
h)Telangana Social Welfare Residential Educational Institution Society Schools	No	11
Boys - Uppalwai, Bhiknoor, Yellareddy and Jukkal	No	4
Girls - Tadwai, Banswada, Tadmole, Takkadpalle,Eklara, Domakonda & Lingampet	No	7

i)Telangana Minority Welfare Residential Educational Institution Society Schools	No	1 at Kamareddy
j)Telangana Tribal Welfare Residential Educational Institution Society	No	1 + 3 (New)
High School	No	4
Navodaya Vidyalayam	No	1 at Achampet (v) of Nizamsagar Mdl
Technical & Professional Educational Institutions		
i) I.T.I.	No	5
ii) B.Ed. Colleges (PVT)	No	3
iii) D.I.E.T. (PVT)	No	3
iv) Diary Technology college	No	1

- **Handicrafts centers if any:-**

There is no Handicrafts centre in the Kamareddy Dist

- **Important Tourist Places:-**

There are many places of tourist importance in the district. Prominent among them are Nizamsagar & Pocharam.

NIZAMSAGAR PROJECT:-

A Project namely Nizamsagar was constructed in the year 1923 across the River Manjeera, a chief tributary of the River Godawari, between Achampet and Bajnapally Villages of Nizamsagar Mandal. The site is noted for its splendid scenic beauty. The most outstanding feature of the Project is the gigantic masonry sprawling across the river for 3 Kms with a motorable road of 14 feet width over it. A Hydro Electric Power Generation Station is also established near Hassanpally Village of Nizamsagar Mandal.

POCHARAM PROJECT:-

This project is located on the Hyderabad - Nizamsagar road and was constructed on the River Aleir. The dam-site is considered to be beautiful picnic spot attracting many visitors from Hyderabad & Medak districts.

KOWLAS PROJECT:-

This project is built across Dongaon Tank between Lingampally and Savargaon villages of Jukkal Mandal.

b) Industrial Profile

- General Statistics of industries in district:-

Kamareddy District is mostly Agriculture based district and there are Four (4) Large and Medium Industries Existing in the district, with an Investment of Rs.146.55 Crores and providing employment to (589) number of persons.

In the district (191) units are existing with an Investment of Rs (229.8) Crores and providing employment to the (1145) number of persons directly.

- Major Industries and products:-

The Major industries are existing in Kamareddy Dist are Bulk Drugs (Chemical) industries, Rice Milling industries, Solar Power Plants, Stone Cursing units etc

- Industrial clusters :-

One Cotton Ginning and pressing was proposed in the Madnoor Mandal of Kamareddy Dist

- Industrial cooperative societies :-

There are Four (4) Industrial cooperative societies are there in Kamareddy Dist and the details are as follows

Sl.No.	Name and address of the Society
1	M/s Bamboo Workers Co- operative Society, Kamareddy(V &M)
2	M/s Baghyalaxmi BWICS, Domakonda(V&M)
3	M/s Venkateshwara BWICS, Banswada(V&M)
4	M/s s Bamboo Workers Co- operative Society, Bitchkunda(V&M)

- Association details :-

There is one Rice Mill Association was existing in the Kamareddy Dist

- Upcoming industrial projects:-

There are Fourteen (14) Large and Medium Enterprises, which are under implementation, with a proposed Investment of Rs.2723.72 Crores and proposed Employment to the (1654) number of persons.

There are Twenty Six (26) Industries Micro and Small Enterprises, Which are under implementation with investment of Rs.42.88 Crores and proposed employments are (159).

c) Industrial Potentiality

- Products that can be manufactured in the district:-

Kamareddy district is partially industrially developed. There is scope for agro based industries in the district as paddy, maize, turmeric, soya are the main crops. The Small Scale industries and tiny industries that have come up in the district are mostly agro based,. The sector wise project opportunities are given here under:

- 1. Food based:-

Modern Rice mills / Paraboiled Rice Mills, Seed processing, Vegetable Oil Refinery, Maize Starch, Mini Dhal mills, Oil mills, Spice powders, Bakeries, Ice cream, Confectionery, Chilly & Masala powder, Vermicelli, Veg. Noodles, Biscuits and cookies, Tissue Culture, Pickles, Papads, Groundnut, chickie, Cattle Feed Poultry Feed etc.

2. Service oriented:-

Agricultural Implements, Servicing of Agricultural Equipment like motors, tractors, oil engines, and Auto mobile services.

3. Textiles:-

Ready made garments, Cloth weaving, School uniforms, Hosiery, Screen Printing on cloth sarees, Spinning Mills.

4. Plastic & Rubber:-

Plastic Reprocessing, Plastic files and folders, Plastic Electrical goods like, T – Joints, Elbows, Bends etc, Polythene Bags, Plastic beads and Bangles, Tyre Retreading.

5. Construction:-

Aluminum Builders Hardware, Cement Hollow Bricks, Clay Bricks, Centering material, Light weight bricks.

6. Chemical and allied: - Black Phenyl & White Phenyl, Utensil washing Powder, Acid

7. Paper based products:-

Exercise note books, registers Greeting cards, Visiting cards & Wedding cards, Paper napkins, White duplex paper.

8. Mineral based:-

Stone Crushing units

9. Others:-

Steel and Aluminum furniture, Automobile repair workshops, Aluminum Utensils, Cyber cafes, Data Processing centers, Mineral water.

• **Scope for Industry related Infrastructure like IPs/Cold-Storages/Godowns, etc:-**

There is a good Scope for establishment of industrial park along the national highway which is very nearer to state capital Hyderabad. The industries which are coming up in and around Hyderabad can be setup at Kamareddy Dist as it well connected with National highway and Railway line

5. Infrastructure

• **Availability of land for industries in TSIC estates / SEZs:-**

Existing Industrial Park :: Kamareddy

1	Total Area of industrial Park	-	20.85 Acres
2	No of Plots	-	33 Nos
3	No of Sheds	-	11 Nos
4	No of Allotment	-	36 Nos

Availability of land outside estates:-

Proposed Land parcels for establishment of IPs in Kamareddy District

Name of the Village	Mandal	Category of land	Sy.No.	Extent in Acres.
Jangampalli	Bhiknoor	A	257	500
Achampet	Nizamsagar	A	560	460
Total				960

- Power facilities with details of substations:-

No. of Electrical Connections		
a)Domestic	No	234300
b)Commercial	No	21162
c)Industrial	No	2242
d)Agriculture	No	100304
e)Free Power Agriculture Pumpsets	No	1672
Villages electrified	No	473
220/132 KV Sub-Stations at Kamareddy	No	3
132/33 KV Sub-Stations	No	12
33/11 KV Sub-Stations	No	118

- Water facilities with details of pipelines, rivers, lakes:-

The Principal rivers flowing in the District is Manjira. The Manjira rises in Potoda taluk of Bidar district in Karnataka State, enters the district from south west. The waters of Manjira are being utilized for irrigation through the Nizamsagar dam constructed across the Manjira River near Achampet (V) in Nizamsagar Mandal.

- Gas availability if pipeline passes through the district:-

There is no Gas pipeline passing through the District

- Telecom infrastructure:-

There is good coverage of Telecom (BSNL, IDEA, AIRTEL, VODAFONE, JIO, and TELENOR) to the each and every corner of the interior village of entire Dist

- Road Network and highway details:-

ROADS (In Kms)	Kms	
National Highways	"	105.8
State Roads	"	145.09
District Roads	"	220.6
BT Roads	"	1395.48

- Rail network and major rail heads:-

The District head quarter Kamareddy is connected with Railway line from Hyderabad and Mumbai.The total Railway line passing the district is 30.1 Km

- Airport distance for neighboring districts:-

Nearest Airport to Kamareddy is Rajiv Gandhi International Airport, Hyderabad which is 100 Km distance

- Research and higher educational institutes:-

Dairy Technology College at Kamareddy
