Industrial Cluster

There are 2 naturally developed industrial clusters in Katnapally and Poosala villages of Sultanabad mandal. The details are as follows

Sl No	Village	Mandal	Type of Cluster	No of Units Existing	Investment in lakRs.
1	Katnapally	Sultanabad	Parboiled & Raw Rice Milling	42	9970
2	Poosala	Sultanabad	Parboiled & Raw Rice Milling	36	8280

Investment Opportunities : Mandal-wise

Sl. No.	Mandal	Resources available	Proposed Industries
1	Peddapalli	Paddy & Cotton	Seed Processing
2	Odela	Paddy, Granite	Seed Processing, & Stone Crushers
3	Sulthanabad	Paddy, Cotton , Granite & Cotton	Granite Cutting & Polishing Rice Brawn Oil and Poly sacks
4	Julapalli	Paddy & Maize	Feed Mixing Plant
5	Eligaid	Paddy & Eligaid	Stone crusher
6	Dharmaram	Granite	Granite Blocks, Textiles, Cotton Ginning Mill & Stone crushers
7	Ramagundam	Coal	Light Weight Fly ash Bricks , Stone Crusher & Automobile Service Centre
8	Anthergaon		Light Weight Fly ash Bricks
9	Palakurthy		Robo Sand & Stone Crusher
10	Srirampur	Paddy	Cotton Ginning Mill, Seed Processing & Rice Milling
11	Kamanpur	Coal	Coal Washereis & Stone Crusher
12	Ramagiri	Coal	Heavy Machinery repairing Unit, Engg. Works shop
13	Manthani	Paddy, Coal & Cotton	Cotton Ginning Mill, Seed Processing
14	Mutharam (MNT`)	Paddy	Rice Mill

Peddapalli District is well connected with other parts by Roads and Railways. The major Rivers passing through the District are Godavari & Manair. The area of the cultivated land in the district is around **1** lakh hectares..

Peddapalli District is having abundant natural resources of minerals like coal, lime stone, granite etc. The Major Industries existing in the District are, Singareni Collieries, NTPC, Ramagundam Thermal Power Station and Kesoram Cement Factory.

Resources:

(i) Agro Resources

Paddy, Maize, Cotton and Chillies are the major crops. Paddy, Cotton and Maize are the prominent crops in the district, Green gram, Soya Bean and other food crops are cultivated in the district. The Gross Cropped Area is 109570 Ha. And Net

Cropped Area is 75574 Ha. The major source of irrigation in the district is SRSP canals.

(ii) Horticulture

Mango, Lemon are the major crops fruits and Tomato, Onion, cauliflower, chilies are the Chief vegetables and turmeric, Ginger are the spices grown.

(iii) Mineral Resources

Minerals such as Coal, Limestone, Laterite and other deposits of iron ore and Steatite are available in the District. Other major constituents are Granite of various colours and sand occurring in major parts of the district.

Coal : Ramagundam, Ramagiri, Kamanpur and Manthani mandals

Lime Stone : Thakkallapalli village of Anthergaon mandal

Granite : Sulthanabad, Odela and Dharmaram mandals

Infrastructure:

Transport :

The District is connected with a network of R&B Roads, Zilla Parishad, Mandal Parishad Roads, in addition to RAJEEV RAHADARI from Hyderabad to Ramagundam to cater to the needs of remote and Coal belt areas. Rail Transport system covers (6) mandals in the district. The district has road & rail transport up to the ports of Vizag and Chennai.

Water :

The principal river flowing in the district is Godavari. The major resources of water in the district are S.R.S.P canal . The ground water is abundantly available in the district catering to the needs of agrarian community through Canals, Tanks and Tube wells etc.

Communications :

The Communication system has spread to nook and corner of the district. Tele-density in the district is tremendously increased due to the advent of cellular operators like BSNL, Airtel, Vodafone, Idea, Reliance and Tata Indicom.

Power :

The Major power Plants in the district are N.T.P.C. and Ramagundam Thermal Power station catering to the power requirements of the district enabling power supply to the Industrial consumers. There are 67 (33/11 KVA) Sub stations and 5 are under

construction , 5 (133/33 KVA) Sub-stations and 2 (220x/33 KVA) Sub-stations exist in the district.

Industrial Development Parks:

Industrial development area of 64 plots at Malkapur (V) , Ramagundam(M) was established with an extent of 52.63 acres and

New Proposals :

An extent of 25.97 acres of land has been proposed for establishment of Autonagar at Kundanpalli (V), Anthergaon (M) and land was taken over by TSIIC Ltd.

Resource based investment opportunities:

Resource Map

- Paddy and Cotton are the predominant crops in the district. There are 156 Parboiled and 37 Raw Rice Mills exist in the district and there is a scope for establishment of

Rice Brawn Oil manufacturing unit

in ***Sulthanabad*** mandal.

- As there is lot paddy is cultivated there is scope for setting up

Seed Processing unit

in ***Peddapalli and Manthani*** mandals

- Coffee Brown variety of dimension stones is under extractions in Sulthanabad, Odela and Dharmaram Mandals

Granite slabs Cutting and Polishing units can be set up

in ***Sulthanabad*** & Granite Block Cutting in ***Dharmaram*** mandal

- Cotton is largely cultivated in both the Divisions of the district, there is a scope for setting up

Cotton Ginning Mill

in ***Manthani & kalva Srirampur*** mandal

Cotton Seed Oil

- As 7 cotton ginning mills exist in the district and another 2 units are coming up, there is a scope for Cotton Seed Oil unit

In ***Peddapalli*** mandal

- Maize is the third largest crop in the district, Feed mixing plant

Feed Mixing Plant

in ***Eligaid*** and ***Dharmaram*** mandal

➤ **Ancillary Units :**

Singareni Collieries Company Limited is a government coal mining company , requires lot of parts and material for their heavy mining machinery and SCCL is encouraging local candidates to set up ancillary units for supply of mechanical spare parts like Small foundry, Roof bolts, Rivets, Dog nails Belt conveyor rollers, Fly ash bricks and 40 more items

Bolt and Nuts, General Fabrication workshops and Motors & other electrical items repair in ***Kamanpur, Ramagiri and Ramagundam*** mandals

Site Oriented Industrial Explosives:

There is an expected demand of explosives due to increase of Production of Coal by M/s SCCLtd and Cement by M/s Kesoram Industries Ltd. Hence there is scope for setting up Explosive Manufacturing units ***Ramagiri*** and ***Kamanpur*** mandals
